

NEW to iManual Lab Entry tomorrow!

We have given users the option to add the individual COMPONENTS of a Lipid Panel to the iManual Lab Entry template. You will choose: **Lipid Components** and then select the appropriate test that was completed from the pick list below:

***Please Note:** If you use this option it WILL NOT flow over to the Health Maintenance Template. You must use the **Lipid Profile** for it to update Health Maintenance.

EMR TRAINING NEEDS?

FM/IM/PEDS

Stephanie Thomas (734)747-6766 x10669
